

aptem.

The complete solution to  
apprenticeship delivery  
for training providers

[www.aptem.co.uk](http://www.aptem.co.uk)

**“With over 4,000 apprenticeships and many thousands more undertaking traineeships, study programmes and AEB, we were looking for a single technology solution that could support our entire offering. Over the years we have accumulated many different systems and Aptem will replace about 95% of them, streamlining our technology infrastructure significantly,”**

**Carole Carson,**

Previous CEO, Babington

From employer engagement CRM and recruitment, through to administration, learning, funding and reporting, Aptem addresses it all in one, easy-to-use interface.

Aptem helps UK apprenticeship providers comply with GDPR, Ofsted and the ESFA, while freeing-up staff time, and delivering a learning experience that changes lives. From deep insights to ongoing improvements, Aptem will revolutionise your apprenticeship delivery.

Our customer list is growing at record speed and includes Babington, Prevista, Alacrity Group, Corndel and many, many more.

Aptem has been designed to tackle the issues that matter most to training providers:

- ✔ **Slashing admin** – automated, streamlined processes and pre-populated data.
- ✔ **Cutting costs** – reduced overheads and improved efficiency.
- ✔ **Freeing-up staff time** – more time to spend on what matters most.
- ✔ **Delighting learners** – a more engaging experience that nurtures talent.
- ✔ **Advancing delivery** – intelligent analytics to improve delivery.

Aptem is a fully managed Software as a Service platform that operates through your browser, with no software, servers or maintenance required from you. Our commitment to quality has been recognised time and again by our customers, award wins, ISO 9001 and ISO 27001 accreditations and Cyber Essentials certification.

**Aptem combines all the functionality you need into one, easy-to-use interface.**

### Reporting & Data Analytics

Aptem brings all your data together in one place. From keeping everyone on track, to maintaining quality control and individual performance, our progress reporting and Predictive QAR make spotting problems and fine tuning your programmes a snap.

### Employer CRM & Recruitment

Take control of all your employer and recruitment activity. With seamless data exchange between recruitment, onboarding and compliance, repetitive data entry is eliminated.

### Paperless Onboarding & Compliance

Aptem handles onboarding without the head-ache of endless paperwork and chasing manual signatures, thanks to its built-in Ofsted and ESFA compliant modules.

### Funding

Aptem keeps your Individual Learner Records data ready to make a funding claim. In seconds you can generate a fully compliant batch report, and upload it straight into the ESFA Hub.

### Learning Management

Create engaging learning journeys with video, reading material, audio and webinars, making training and interaction available to anyone, wherever they are.

### Progress Tracking

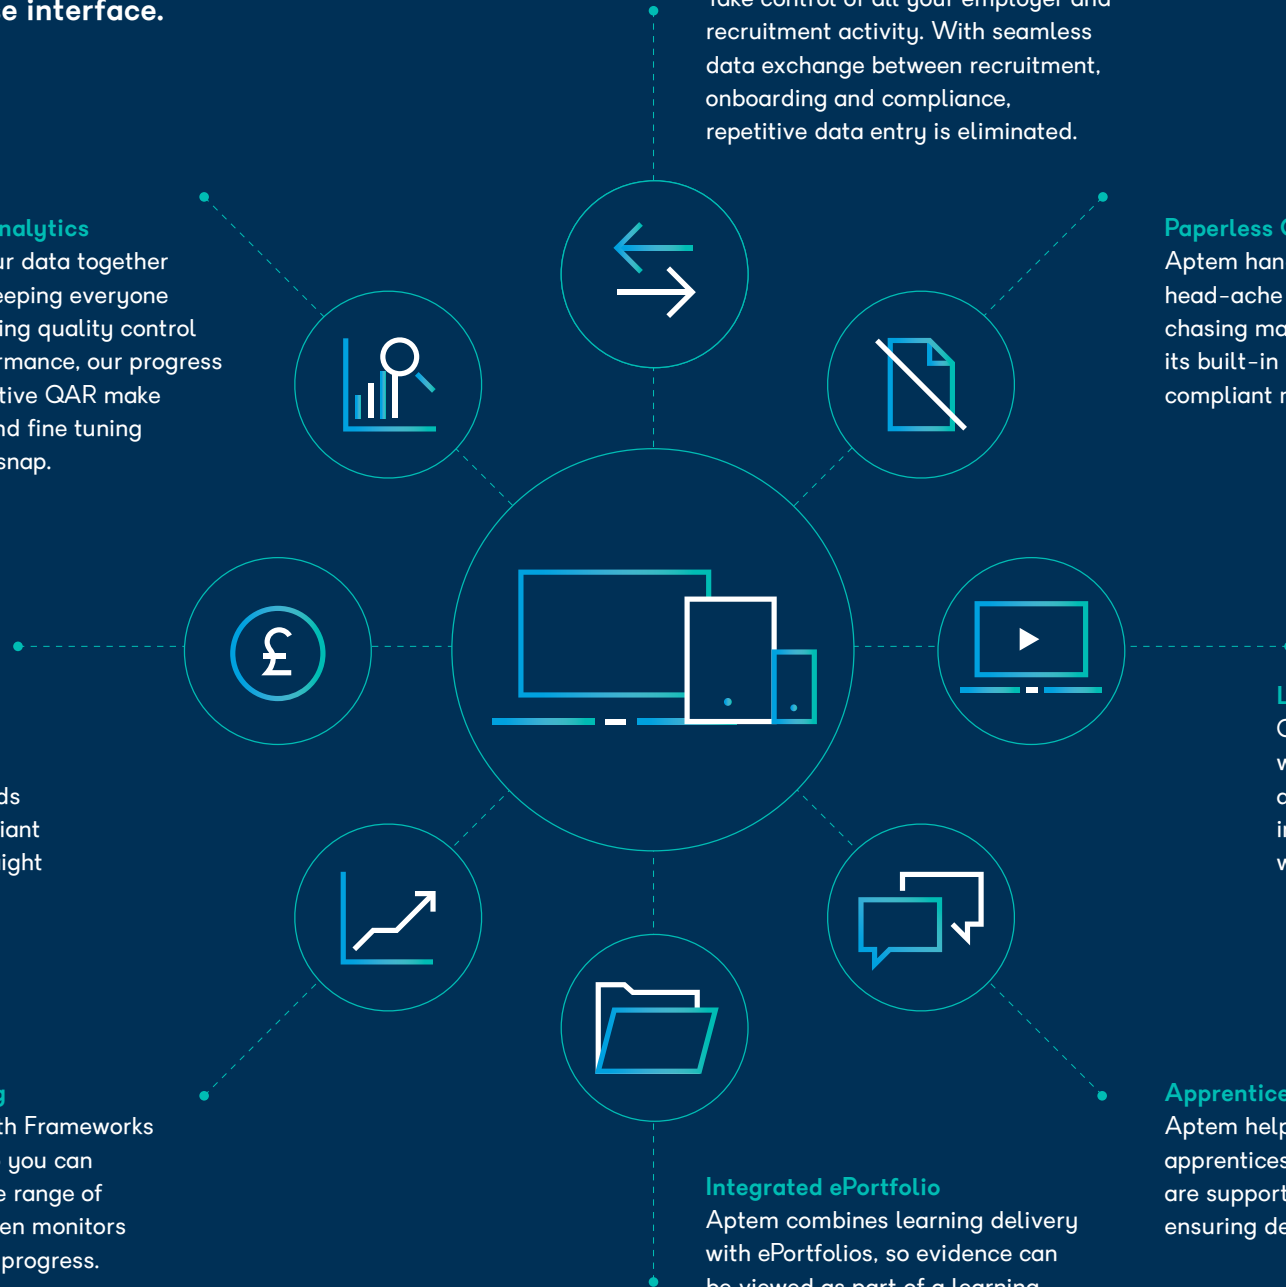

Aptem tackles both Frameworks and Standards, so you can deliver a complete range of programmes. It even monitors off-the-job hours progress.

### Integrated ePortfolio

Aptem combines learning delivery with ePortfolios, so evidence can be viewed as part of a learning plan effortlessly.

### Apprentice Management & Reviews

Aptem helps you stay close to your apprentices, making sure they are supported and engaged, and ensuring deadlines are never missed.

# aptem.

Aptem is the latest product developed by MWS Technology, pioneers in technology solutions for the vocational training, further education and welfare to work sectors since 2009.
