Why choose Aptem Employ for Connect to Work?

Comprehensive support

Aptem Employ combines advanced case management functionality with a self-service jobseeker portal, providing end-to-end support to meet programme goals efficiently.

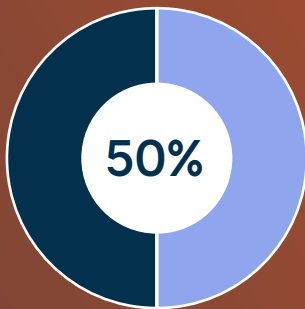

Seamless customisation

Aptem Employ supports DWP and individual workflows without additional costs, ensuring rapid implementation.

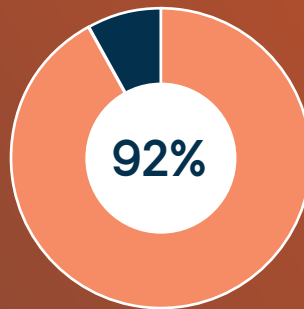

Continuous innovation

Our expert product and implementation teams will ensure that the system meets your requirements to deliver Connect to Work programmes.

faster job placement

jobseeker success

The flexibility of the system and ability to customise and configure programmes, combined with strong case management, were massive pluses for us. We also love the Advice Centre, Job Finder and CV Builder. All of these elements will help to ensure positive outcomes for London residents seeking to upskill and find employment.

Tim Lacey, Head of Programmes, Central London Forward

Key features

Designed to empower both jobseekers and accountable bodies, Aptem Employ supports the Connect to Work programme with the following features:

PRaP integration ensures compliance with G-Cloud 14 requirements by automating referrals from Jobcentre Plus, and providing MI reporting for seamless data submissions to DWP.

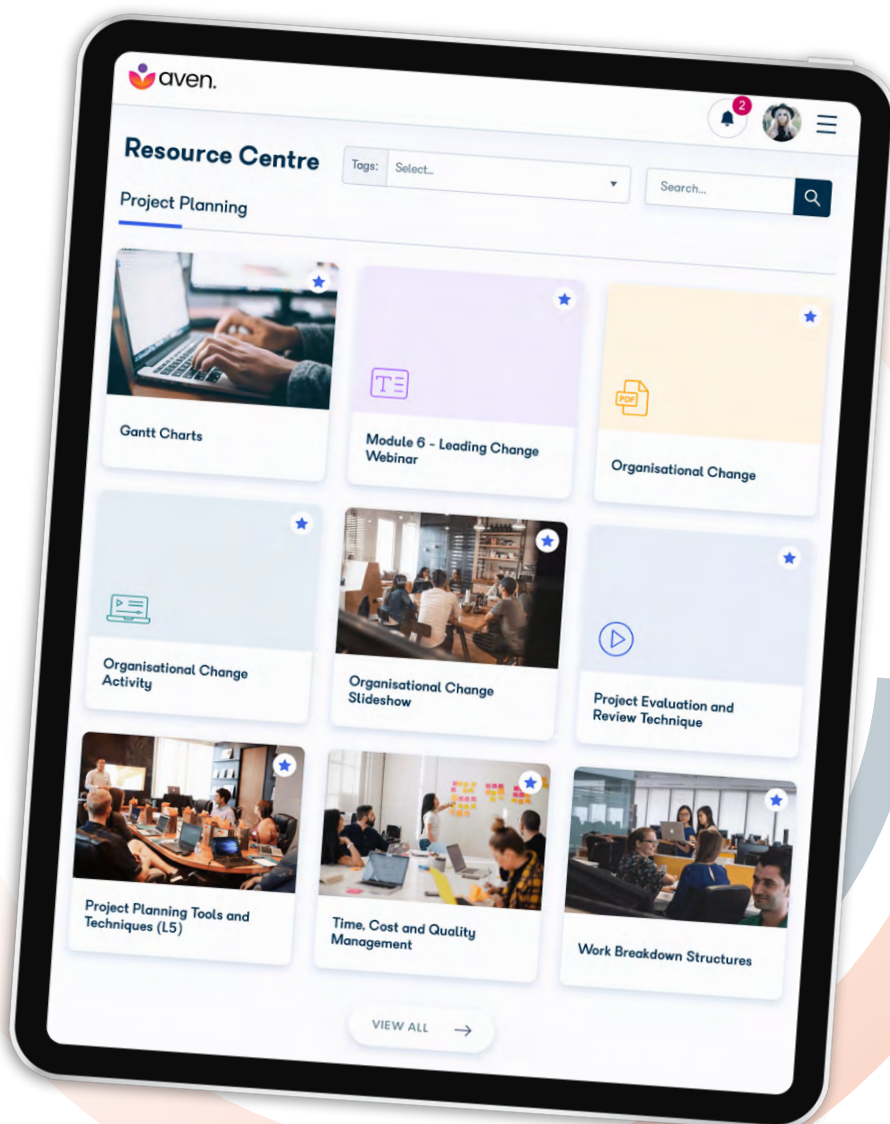

Custom field tracking allows providers to monitor job adaptations and employer engagements, tailoring roles for participant success.

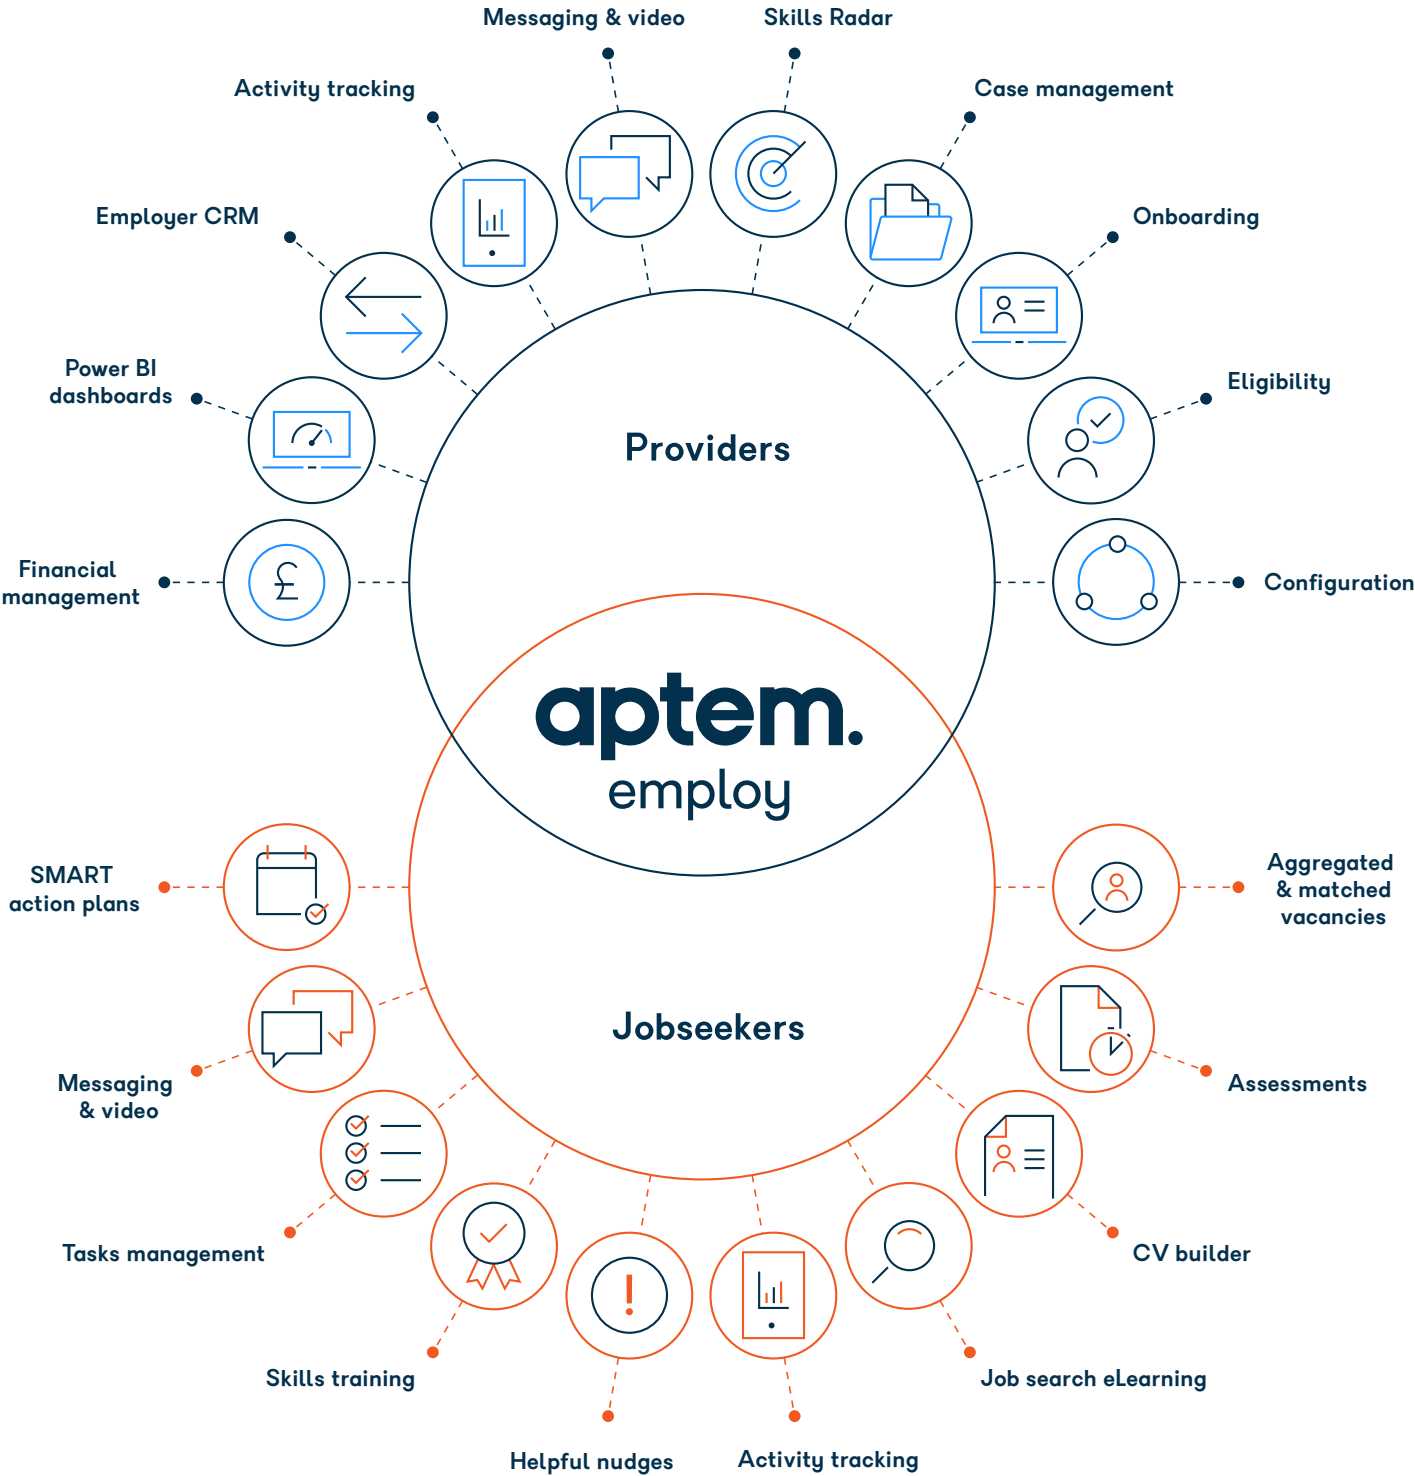

Robust dashboards deliver detailed performance monitoring to ensure goals are met effectively, for advisors and participants.

Secure Data Hosting: ISO 27001, 9001, and Cyber Essentials Plus certified for reliable and safe operations.

Tailored support for participants

Aptem Employ excels at providing robust, participant-centered tools, ensuring success at every stage of the Connect to Work programme:

**All
jobseekers**

Aptem Employ equips jobseekers for success in the Connect to Work programme by offering a tailored experience through an online portal.

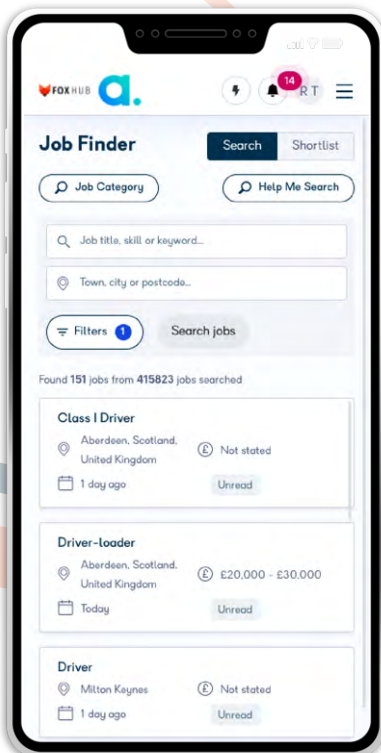

- ✓ On average, 1 million UK vacancies are matched to their profiles with duplicates removed daily.
- ✓ A CV builder to create effectively tailored applications.
- ✓ Award-winning e-learning covering job search tips, communication skills, and resilience.
- ✓ Actionable progress tracking, accessibility features and SMART plans delivered via the platform's tracking features.

Specifically, for out-of-work participants:

- ✓ Tools for CV creation, job searching, and tailored learning modules.
- ✓ Employment advisor guidance for job matching and work trials.

Specifically, for at-risk workers:

- ✓ Tools to manage workplace accommodations and improve workplace integration.
- ✓ Support for career progression and long-term retention.

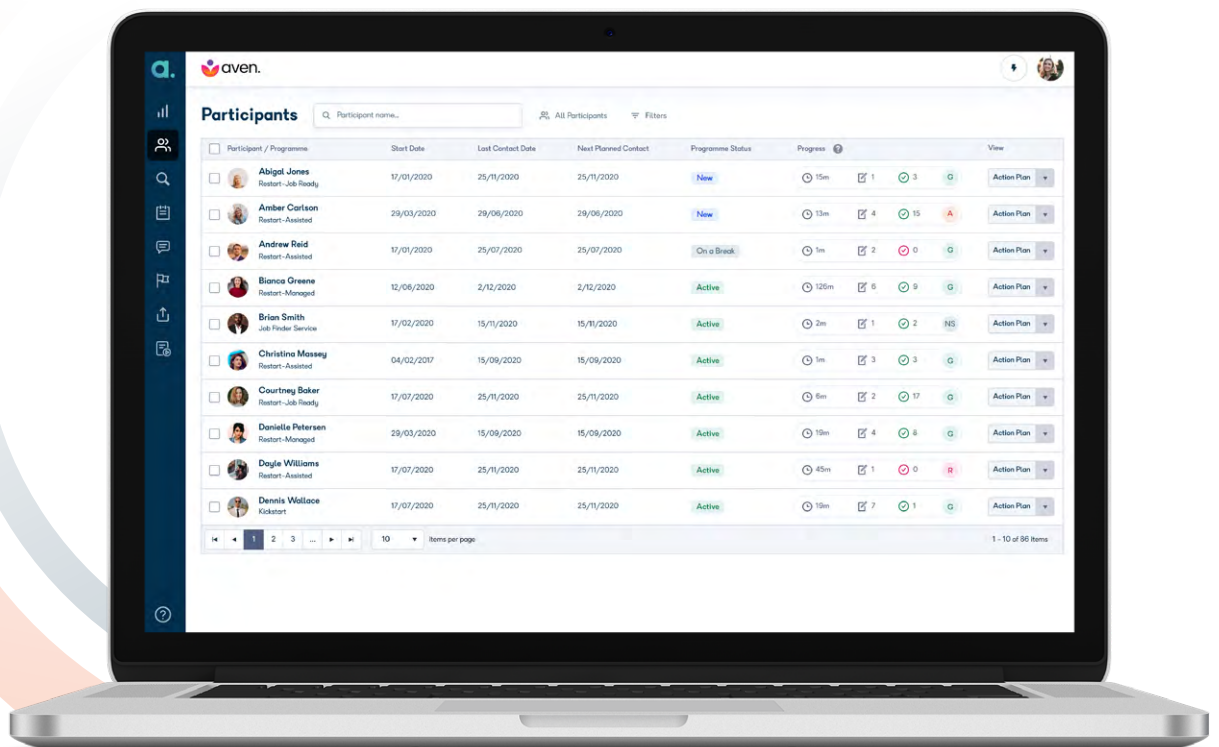

Accountable bodies

Accountable bodies managing Connect to Work projects can simplify their operations and ensure compliance using Aptem Employ's features.

Key features include:

- ✓ Eligibility and suitability automation: Manage participant entry requirements efficiently.
- ✓ Employer engagement CRM: Build ongoing relationships to align job roles with participant skills.
- ✓ Flexible delivery options: Configure support plans for individual or group needs.
- ✓ Powerful compliance tools: Meet DWP standards with Power BI dashboards for MI reporting.
- ✓ Support partner network: Manage and report on your partner network in one place, giving them the system they need to deliver great outcomes.

Aptem Employ is an intuitive and highly user-friendly product, that can support our amazing team and delivery partners. We wanted a system that we could get up and running quickly, and easily customise to our requirements.

Chris Harrison, Executive Director-
Employability and Health, Seetec Plus

In partnership

We know that the team behind the technology really matters to you. Adopting new technology is a large-scale change project. You need a partner that will help you and your team to implement it, use it, and reap the rewards.

Implementation consultancy

Behind every successful technology is a watertight, customised implementation. Your dedicated Implementation Consultant will be with you every step of the way as your 'critical friend', advising and configuring the system to achieve your goals. Our Implementation Consultants have unrivalled sector and product knowledge.

Customer Success management

Once the implementation period is complete, you will be in the hands of a Customer Success Manager. They will help you to get the most from the system and to measure the impact it has on your organisation's growth, jobseeker outcomes, employer engagement, and compliance.

Technical support

An extensive Help Centre, packed with easy-to-follow guides and tips, helps you to get the most from Aptem Employ. A UK-based support team is at the end of the phone to answer your questions and work through any challenges.
